Arts in the Park

June 8th

The City of Columbia is excited to announce our partnership with the Monroe County Arts Alliance to bring you our Annual Arts in the Park on June 8th at Metter Park. This experience for all the senses will feature art, entertainment, and delicious food and drink from local restaurants and vendors. Bring your family, your lawn chairs, and be wowed by local performers and artists' original artwork.

In addition, a special children's art area as well a high school art area will be available. This event runs from 11:00 a.m. to 6:00 p.m. Special thanks to Eppinger Foundation for sponsoring this event for making this event, making it FREE to attend. Are you a local artist or performer looking to get involved? Contact Marla Rose at mrose@columbiall.gov.

Quarry Road Bike Trail Connector Project

The City has just secured a \$200,000 Bike Trail Grant from the Illinois Department of Natural Resources to kick off the highly anticipated Quarry Road Bike Trail Connector Project! This incredible project will extend the existing Quarry Rd. bike trail all the way to Ghent Rd. and feature a brand-new pedestrian bridge over Palmer Creek. By filling in a major gap in the city's trail and sidewalk network, this new addition will make biking and walking around Columbia easier and more scenic than ever before. Once complete, residents will have access to a stunning 3.6-mile loop, connecting Main, Rueck, Quarry, and Ghent Roads – a perfect route for both cyclists and pedestrians to explore!

City Wide Yard Sale

April 25 & 26

Don't miss this chance to find amazing deals! Yard sale permits are not required on April 25 & 26. To register your yard sale for the City-Wide Sale, visit www.columbiall.gov, and click on the "Things to Do" Section. While here, you can also view and print a list of registered yard sales. Customize your list to include only the items you are looking for! The registration link is available now!

Mayor's Message

Mayor Bob Hill

As we welcome the vibrant season of spring, I'm excited to share some updates with you all as we continue to make Columbia an even better place to live, work, and play!

With warm weather here, it's time to enjoy some of Columbia's exciting events! Arts in the Park returns on June 8 at Metter Park, showcasing local artists and performers. The Monroe County BackStoppers will also be hosting another fantastic car show this spring on Main Street—a must-see for car enthusiasts! And don't forget to shop the City-Wide Yard Sale on April 25 & 26.

I'm also thrilled to announce that at our February 18th City Council Meeting, the City awarded the contract for the construction of Creekside Park! Baxmeyer Construction has been tasked with bringing this much-anticipated park to life. Situated on a 17-acre tract along Rueck Road, Creekside Park will feature a 2-acre lake/pond for fishing, a pavilion, a playground, and connectivity to Columbia's trail network. This project is another step toward enhancing our community's outdoor spaces and providing even more recreational opportunities for residents of all ages.

As Earth Day approaches, City Hall encourages residents to go paperless by signing up for e-billing and e-newsletters. Sign up via our website or the KnowColumbia mobile app. Going paperless saves taxpayer dollars on printing, labor, and postage while ensuring on-time payments—plus, it's eco-friendly!

Don't forget to support local business! Columbia's businesses are vital to our economy. You may have noticed our Community Awareness Initiative highlighting local businesses on social media. Let's continue supporting them by shopping local this spring!

Together, we'll continue to make Columbia the best it can be! Happy Spring!

Spring Crime Prevention Tips

The Columbia Police Department wants to help you avoid preventable crimes. Follow these tips to keep you and your family safe this spring:

- Keep all doors locked, including garage doors
- If you open windows and sliding doors during the day to enjoy spring weather, ensure they are closed and locked before going to bed, or leaving home..
- Store ladders and tools in a secure area, and lock sheds or storage units.
- Be aware of home improvement scams. If you did not solicit the contractor or salesman, do not do business with them.
- Always request identification from utility representatives or salespersons.
- Lock up bicycles, lawn mowers, tools, weed eaters, and other valuables in a garage or shed. Keep garage doors closed even when you are home.
- Lock your vehicle, roll up windows, and never leave valuables inside—even in your driveway.

Be a good neighbor! This can be one of the best crime prevention tools. Watchful, attentive neighbors can identify activity that is not "normal" in their neighborhoods. Stay alert and report suspicious activity to the Columbia Police Department at 911 or 618-281-5151.
